WWW.NCAR.ORG.UK
North Clwyd Animal Rescue is now in their 35th year since becoming a registered charity back in 1981. The charity began when Anne Owen, found a painfully thin lurcher on her doorstep which she took in and named her Lady. Little did Anne know this is when NCAR was born. Over the past 35 years NCAR has helped thousands of abandoned & stray animals find their new loving forever homes.

Each year we care for over 1800 animals and the number is ever growing. All the stray dogs from Flintshire and Denbighshire are brought to the sanctuary where they are held for 7 days. If they are not claimed, they are re-homed under our adoption scheme after they have been neutered, vaccinated, micro-chipped and given treatment to prevent worms and fleas. The rescue acts as a rehabilitation unit and a temporary home for dogs, cats, rabbits and guinea pigs.

NCAR has changed so much over the years and we are always continuing to develop our facilities whenever we get the funding to do so.

North Clwyd Animal Rescue is affiliated to the Jean Sainsbury Animal Welfare Trust and relies on the support and generosity of the general public and is funded purely by events, donations and our charity shops. If you can help, support or give a small donation when you can, it will really benefit the animals and ensure the future of North Clwyd Animal Rescue.

OPEN EVERY DAY 11AM-4PM
On behalf of all at NCAR, we would like to congratulate Anne Owen, the founder of NCAR on her MBE for Services to Animal Health and Welfare.

Anne was fortunate enough to receive her MBE from Princess Anne at Windsor Castle last summer.

Over the last 35 years, Anne has dedicated her life to starting and running NCAR over the last 35 years giving thousands of animals a second chance and finding them new forever homes.

This award is in recognition of all the hard work Anne has done for the animals over the years.

We are proud to announce NCAR’s new patrons, Richard & Adam.

Richard & Adam are professional singers from the local area who were finalists in Britain’s Got Talent.

Together with Support Adoption for Pets, they opened our new on-site veterinary clinic, White Fields, last year and their family have recently adopted a dog from us.

We would like to thank Richard & Adam for their support and we look forward to seeing more of them at our events.
For those of you who didn’t get to know him, RAFA was our longest resident, being looked after at NCAR for 8 years. He had a fiesty temperament, however, the staff never gave up on him, knowing that the right home was just around the corner. Then NCAR supporter, Christine Williams came to us looking for a new dog:

“...I have always gone for large dogs and particularly ones with issues. I had re-homed a delinquent Rottweiler earlier in the year, I was expecting something on the larger side. When I went back to the Rescue I was more than a little surprised to meet a ‘rat on a rope’ by the name of ‘Rafa’.

He looked cute enough and I couldn’t see why he hadn’t been re-homed. Eight years in the rescue seemed a bit excessive, so I offered to give him a go for a couple of hours to see how he got on with my other three dogs.

The initial signs were good, how hard can it be to sort out a little Jack Russell after all? “Rafa doesn’t like being brushed” I had been told, but when a dog is covered in sticky bobs you have to do something. Donning a pair of welding gloves, I set about the task. I was greeted with a rotating ball of fur and teeth as Rafa took extreme exception to the brush!

Through hard work and patience, Rafa is now a reformed character and a delight to be with. He no longer tries to terrorise everyone but accepts his place in society and is a happy little chappie. Underneath that tough exterior is a cute little dog who loves to be cuddled and run around all day. Trips out in the car or horse-box are the best bits of his week along with frequent visits to see everyone back at the rescue.

The real highlight for him is when Barry, who is a valued volunteer at NCAR, comes to visit. Barry was one of the people he was close to for all those years in the rescue and the one who always brings him a nice pork pie or sausage roll and gives him a big cuddle.”
We feel that Animal Education is the way forward and we try our very best to educate the youth of today as they will be the animal owners of the future.

Our education team regularly visit local schools, colleges, universities and other groups who would like to learn about the work we do.

We provide talks to all age groups from primary school to residential homes and we cater to your group’s needs. We have two very special members that love to come and visit your group, Misty a very lovable staffie and Poppy a very sweet Jack Russell. They are always the main attraction at our talks and always on their best behaviour. They are both ex-NCAR dogs with fantastic temperaments.

Our talks usually last approximately 30 minutes and we find it easier to talk to smaller groups as we can interact with them much more.

WE COVER MANY DIFFERENT TOPICS IN OUR TALKS, INCLUDING:

Who we are and what we do, the importance of animal welfare, responsible pet ownership, how to care for your pets and how your group can help our charity with fundraising activities.

If you would like to book a visit from NCAR, please email education@ncar.org.uk

We do not charge for our talks but if you can give a donation to our charity, or a collection of donated pet food, treats and toys that would be much appreciated. We also offer work based placements to colleges and university students. We do get very booked up, so if you are considering a career in animal welfare, please contact Nicky and she will be able to give you the further information you will need.
FUNDRAISING FOR NCAR
YOU CAN GET INVOLVED TOO

Fundraising is an area that is fun and exciting but also hard work. It is so important to a local charity like NCAR. It raises much needed funds for our charity but also gets the community involved. Fundraising raises awareness of the good work we do, finds our animals their forever homes, helps us develop our rescue and can be so much fun.

Sponsored events - there are loads of ways to get involved by doing skydives, walks, treks, marathons, swims, sleepovers or something a bit different.

If you would like to join in then why not get in touch with our fundraising team. They have some great ideas and all the tools to get you started. Email us at fundraising@ncar.org.uk

NCAR are lucky to have the support from a variety of businesses including Pets at Home, Bank of America, M&S Money, pubs, cafe’s and a chip shop. So why not nominate NCAR as your workplace’s chosen charity and you too could be helping our animals.

Two pubs in the Chester area that do a lot for us are ‘The Dee Miller’ in Kingsway and the ‘CornerPin’ in Saltney. The lovely landlords Clair and Steve of the ‘Dee Miller’ hold monthly car boots for us in their car park, have a collection box on their bar and help out at our events. They got involved with us when they adopted their beautiful happy staffie ‘Todd’ from NCAR last year. Keep an on our website for 2016 car boot dates.

The ‘Corner Pin’ have helped raise a lot of money with numerous raffles, tombolas, auctions, fancy dress evenings and quizzes and they always want to recruit more supporters. They are a lively crowd of animal lovers who support our charity and we are so very grateful. We want to say thanks to Patsy and Kylie for their continued support.
This year we are hoping to open our own on-site cafe. This is something we have wanted to do for a long time, but due to lack of funding, has never been possible. The cafe will be a way of generating funds for NCAR and some of our dedicated volunteers have shown an interest in running it for us, in order to keep costs down.

The cafe will be open to everybody, whether you are volunteering at the rescue, looking for a new family pet or just passing through. This is a new exciting project and will help build the NCAR community.

If you are in a position to help with the cafe in any way please email cafe@ncar.org.uk

We now have a fantastic new website that has been designed for us. It has lots of new information and it is a lot quicker than our previous one. It still has all the favourite pages but it’s easier to navigate and it works better on phones and tablets.

One of the many new features we are having through the website is our online shop. This is a new way for us to raise funds and for you to help support your local charity. We have a few items already on sale but we plan to increase the amount of items throughout the year. We already have a well stocked pet shop at the rescue but now you can browse on the website and order your new pet accessories and presents from the comfort of your own home.

We will be selling everything from collars, leads, coats, toys and treats, so why not take a look at the new website and online shop and support your local animal rescue.

Visit our new website at www.ncar.org.uk
VETERINARY CLINIC UPDATE

WELCOME TO WHITEFIELDS!

Our lovely Whitefields veterinary clinic has now been open for over 6 months on a 3 day week. It has been a great success and in only 82 days of open clinic we have already carried out 541 neuters. We have been overwhelmed with support and donations for this project and we would like to take this opportunity to thank everyone. Without your kind help, it would never have been possible.

It is hard now to think back to what it was like without the clinic on-site and we are hoping soon to increase the days we are open, meaning we can help more animals and raise money to continue supporting the project.

We have a wonderful, dedicated team at the clinic and we are so lucky to have this facility on-site at our rescue. A dream that seemed so distant is finally here and without the grant funding from Support Adoption For Pets we would still be chasing it. Here at NCAR, we believe that pet insurance is an important part of responsible pet ownership and it allows owners to get veterinary treatment at the earliest opportunity knowing help is there for unexpected costs.

AT NCAR, WE RECOMMEND PETPLAN INSURANCE FOR THE FOLLOWING REASONS

1. Petplan’s Covered for Life policies guarantee your Veterinary Fees cover each year no matter how often you claim (providing you renew your policy each year with no break in cover).

2. Petplan doesn’t place exclusions at renewal on Covered For Life policies so ongoing conditions, such as eczema, can continue to be covered year after year.

3. Petplan won’t increase your premium or excess just because you make a claim.

4. Petplan is a pet insurance specialist so they understand pets and work closely with vets and charities. In fact, Petplan support NCAR by giving us 10% of all premiums renewed through NCAR.
“Being a proud supporter of NCAR we are very keen to help out when we can, however as we work during the week and only being ‘fair weather’ dog walkers, meant that we were not doing as much volunteering as we wanted.

We then heard about kitten fostering. Having owned and loved cats for many years we thought that this would be a fantastic way to help NCAR in our own home.

The idea is simple, if the kittens and their mum are with fosterers then it frees up space at the rescue, saves staff time and mum has a quiet place to nurse her babies. The kittens are with the fosterers until they are 8 weeks old then they are given back to the rescue for injections, neutering and re-homing.

Before we embarked on our foster journey, we had a long chat with the staff at NCAR and they explained the commitment required. A quiet room is needed for the mum to nurse her kittens with space so that they can play. As well as regular feeding and cleaning of their pen, we needed to give the kittens medication. All of this was written down for us because it is a lot of information to take in. The staff gave us all the equipment and supplies we needed and lots of support. Being first time fosterers we had many questions and the staff were happy to answer them, no matter how silly they seemed!

We have had three litters in our first year. I often think about the kittens that we have fostered and I wonder if they remember their first home. It is sad to give them back to the rescue as they became part of the family, but the staff are used to the tears. Knowing that we have given a loving first home to a litter of kittens makes it all worthwhile.”

Fostering is a lovely way to help NCAR.
If you are interested in fostering for us, please email fostering@ncar.org.uk

Rebecca & Scott X
For the last couple of years, the Roobarb ‘n’ Custard Scooter group have done an end of season ride-out in aid of the rescue. This involves hundreds of scooter fanatics meeting up and riding up to NCAR with food donations that they have collected, together with money that they have raised throughout the year.

Steve “Coaty” Coathupe and Dixie, a former NCAR resident organise the event each year. It is always a great atmosphere when you can hear all the scooters arriving at the rescue, bringing treats for all the animals.

We would like to thank everyone involved with the ride-out and look forward to seeing you later in the year. 2016’s ride-out will be on Sunday 16th October 2016 - we hope to see you there!

Toon Petz has been raising money for NCAR over the last few years. It all began when Michelle adopted the beautiful staffie, Stars.

Michelle has a background in cartooning, and has used this skill to raise money for the rescue by cartooning people’s pets.

Michelle set up a Facebook page that became so popular, she decided to set up www.toonpetz.com

Michelle has built up a large fan-base with requests coming in from all around the world.

To date, Michelle has raised a fantastic £3,370.

We would like to thank Michelle for her support and we hope she continues to receive many more requests.
EASTER OPEN DAY
GOOD FRIDAY - 25TH MARCH 11AM - 3PM - NCAR SANCTUARY

We start our season of open days with our Easter Open Day.

This is always a great day out for the whole family. It is a chance to catch up with the staff at the rescue and swap stories with fellow re-homers about how your pet has settled in and become part of your family.

Our Easter Open day has become more popular each year. Supporters love visiting the current residents and buying gifts from the professional craft stalls. Hot and cold refreshments are also served throughout the day.

If you would like to hold a stall on the day, please contact the events team on 01745 560546 or events@ncar.org.uk for further details. We look forward to seeing you at our Easter Open day.

SPONSORED WALK
MONDAY 2ND MAY - 11AM - AT GREENFIELD VALLEY, HOLYWELL

Our sponsored walks are always a great way of raising money for the rescue. Each year, supporters ask friends and family to sponsor them and their dog to walk for NCAR. For the last few years, we have walked along Talacre Beach. This year, we are moving to Greenfield Valley Heritage Park in Holywell. This is a beautiful woodland walk along the old railway. The sponsored walk is a gentle stroll where you can enjoy being out in the fresh air, raising money for NCAR at the same time.

The residents of the rescue love being taken on the sponsored walk. If you would like to book one of the residents out for the walk, please phone the rescue a couple of days before the actual day so we know who to partner you up with. - we look forward to seeing you there.
COMPANION DOG SHOW
SUNDAY 3RD JULY - 11AM - NCAR SANCTUARY

Our annual Companion Dog Show is always a great favourite with our supporters. Even the heavens opening doesn’t stop people coming to compete with other past residents.

The atmosphere at our dog show is a relaxed one - we want people to enjoy themselves in our fun competitions. Our novelty classes are open to dogs, all shapes and sizes.

Rosettes will be awarded for 1st – 6th place in all classes, and there will be a variety of craft and animal related stalls. A BBQ will be serving food all day.

If you wish to hold a craft stall on the day, please contact the events team on 01745 560546 or events@ncar.org.uk for further details.

LADIES PAMPER NIGHT
THURSDAY 3RD NOVEMBER - 6PM - THE BEACHES HOTEL, PRESTATYN

Our Pamper Nights are always a great success and a great way to raise the awareness of NCAR whilst raising money at the same time.

The Pamper Night is always a sell out, and it’s no surprise considering what you receive for your entry ticket! Thanks to the kind professional therapists, all ticket holders receive a choice of mini treatments and a fantastic goody bag - all with donated items from local businesses. There are also a range of shopping stalls where you can treat yourself or a loved one. This promises to be a very exciting night.

If you are a stylist or beauty technician and are able to volunteer your skills, please contact Jean Sellers at events@ncar.org.uk.

Please visit www.ncar.org.uk for ticket sales and more information.
Without doubt, the biggest and best open day of the year is our Christmas Open Day which attracts hundreds of supporters for a fantastic day out.

Each year, this open day gets bigger and better, and just goes to show how generous people are at Christmas.

The resident’s stockings are overflowing with treats that have been brought in by our supporters!

Who needs the Christmas Markets when you can come to NCAR and purchase a range of gifts for friends and family from our professional craft stalls. We have non-alcoholic mulled wine being served from our refreshment stall, which goes great with the hot turkey baps also being served!

We have even gone all out and asked Santa himself to make a guest appearance. He will be in his grotto where you can take your children or your dogs - there will be a gift for everyone who goes to see him.

The staff love to see past residents who come back for a day out, and hear how they have settled into their new family.

If you would like to hold a craft stall, please email Jean at events@ncar.org.uk - please note that our open day stall spaces do book up very quickly.
At NCAR, the animal’s needs always come first. That’s why we love holding our Christmas Day & Boxing Day walks for the residents.

The walk is a leisurely stroll around the local village, stopping off half way for a mince pie, mulled wine and a treat or two for the dogs, before heading back off to the rescue. The 3 mile walk takes roughly 1 to 2 hours and is a lovely walk around a beautiful part of North Wales.

We know Christmas is a time for family, but if you can spare just a couple of hours to walk one of the residents, it would mean the world to them. Feel free to bring your family with you. We ask that you come to the rescue for 10.30 so we can pair you with a dog that is suitable for your strength - we hope to see you there. Due to demand, it is essential to email us beforehand to book your place on the walk. Please email events@ncar.org.uk from December onwards.

Everyone deserves a lovely meal on Christmas Day - including the residents of NCAR. However, with over 120 dogs, 150 cats, 20 rabbits and guinea pigs, this can become very expensive. So we have set up Christmas Dreams - a chance for our fantastic supporters to help towards the cost of the meals.

It is so rewarding seeing the resident’s eyes light up when we feed them something a little bit special, after all, it is Christmas for them too. The appeal also helps fund toys for the animals, which they love playing with year-round.

For more information on Christmas Dreams, keep an eye on our website and Facebook page from November onwards. Forms will also be available from our reception and charity shops.
Over the last few years, we have run a calendar competition to feature past and current residents of the rescue. The competition has always proved a great success with hundreds of entries are whittled down to just 13 finalists.

The calendars make great gifts for family and friends as well as a little treat for yourself.

It’s great to see photos of dogs on the beach, but in order to add variety to the calendar and for a better chance of being selected, we recommend that you take photos of your pets in different natural surroundings throughout the year.

Please keep an eye on our website and Facebook pages at the end of April for more information on the competition. Please also make sure you read the T&Cs as there will be important information involving photo quality, layout and details of when the competition closes.

We look forward to seeing this year’s entries.

Each year, we get asked whether we will be releasing our own charity Christmas card, so we are looking to sell these this year.

They will hopefully feature residents of the rescue and will be a great way of raising money to continue the work we do. Please look out for these from October.
Our charity shops play a huge part in raising funds for the rescue. We are lucky enough to have kind and generous supporters who pass their pre-loved items for us to sell. There can be some great bargains to be found in our charity shops with a lot of designer label items being passed to us, some are still brand new with their tags on!

Gift aiding your shop donation will allow us to claim an extra 25% of the selling price from HMRC, so please make sure you complete a Gift Aid form when you donate your items to us.

Volunteering in one of our shops can be so rewarding. It is a chance to make new friends whilst helping to raise much needed funds for the rescue.

So why not pop into one of our shops next time you are passing - who knows what you will find. Or better still, please think about us when you are having a spring clean - we always need new items.

If you are interested in volunteering in one of our shops, please visit your local shop and speak to the shop manager who will happily provide you with the information you need.

Our shops are always in need of furniture, good quality clothes, homewear, electronic equipment, DVDs and bric-a-brac.

For any shop enquiries, please email shops@ncar.org.uk

FIND THE NCAR SHOPS

- Holywell: 29 High Street, Holywell, CH8 7TE
NCAR is constantly growing. Our new cattery means that we can now look after more cats as well as taking in more dogs and rabbits. Although it is great that we are able to look after and re-home more animals, it means our daily running costs are always increasing. Due to rising costs and the increase in the number of animals being looked after the rescue now costs over £1000 per day to run.

Unlike many large national charities, who are mainly funded by legacies, being a small, independent charity, we have to rely on donations and fundraising. However, one way in which you can help us continue the work we do is to leave a gift to NCAR in your Will and quote our charity number 515195.

We have been fortunate enough to receive gifts in the past that have allowed us to improve the rescue, but we are always in need of support. Leaving a gift to NCAR in your Will is a great way of ensuring we can save as many animals as possible. If you would like a legacy information pack, please complete the form below.

ADOPT A KENNEL
WE ARE GRATEFUL FOR EVERY DONATION YOU MAKE

North Clwyd Animal Rescue offers a temporary home for animals that are strays or just unwanted. We are able to do this only because of the help and support received on a regular basis from people like you.

Not only does this funding help provide the best possible facilities for the animals and help maintain our day to day running costs, it also enables us to make plans for the charity and look to the future for sustenance and growth. Please read below about the ways you can offer your support.

Adopt a Dog Kennel for only £5 per month
Adopt a Cat Pen for only £4 per month
Adopt a Rabbit Hutch for only £3 per month

WHAT DO YOU RECEIVE WHEN YOU BECOME AN ADOPTER?

WHEN YOU ADOPT A DOG, CAT OR RABBIT UNIT YOU WILL RECEIVE:

- Peace of mind knowing that your donation is helping give the animals a better life
- A certificate confirming you have adopted a kennel, pen or hutch
- Regular updates and photos from the animals who occupy your kennel
- Newsletters and brochures about the rescue

Overleaf you will find a standing order form for monthly payments. Gift Aid increases the value of donations from taxpayers by 25 per cent at no extra cost to yourself - please tick the Gift Aid box.
