Little did Anne Owen know, when she found Lady, a painfully thin lurcher on her doorstep back in 1978, that that would be the start of North Clwyd Animal Rescue. Since becoming a registered charity in 1981 the rescue has grown from strength to strength and now rescues over 1900 animals each year with numbers growing every year.

Now in our 38th year the rescue has helped thousands of abandoned and stray animals to find their loving forever homes. All the stray dogs from both Flintshire and Denbighshire are brought to the sanctuary and are held for 7 days for the owner to come forward and claim them. If they do not get claimed, they are then put up for re-homing under our adoption scheme, after being neutered, vaccinated, micro-chipped, and treated for worms and fleas. This rescue is a temporary home for dogs, cats, rabbits and guinea pigs, and we are always looking to develop our facilities, when funding allows.

North Clwyd Animal Rescue is affiliated to the Jean Sainsbury Animal Welfare Trust and relies on the support and generosity of the general public. Funding comes purely from events, donations, legacies and our charity shops. If you can help, support or give a small donation whenever you are able, it really does benefit the animals and helps to ensure the future of North Clwyd Animal Rescue.

OPEN EVERY DAY 11AM-4PM

WE ARE OPEN FOR ANIMAL ENQUIRIES EVERY DAY FROM 11AM-3PM
Doris’s Bunker, our onsite café has gone from strength to strength this year and now has a regular band of visitors, including many of our dogs who have gone to new homes and come back for a visit.

The café was kindly funded from a legacy from the Late Doris Davies, who once served tea to the troops cracking the WWII Enigma code. Doris, a lifelong dog lover and adopter of 2 NCAR dogs, died aged 95, but her legacy lives on in this fabulous facility. Providing hot drinks, cakes and hot and cold meals to adopters, volunteers, visitors and staff. Doris’s Bunker guarantees a warm welcome and a relaxed atmosphere for you to enjoy with your dog.

The café also plays a major part in our onsite events and welcomes local walking, knitting, WI groups, and many more. If you would like to book afternoon tea for a group which you are involved with, please do contact the rescue for details. 2018 also brings special evenings to at Doris’s Bunker - so keep an eye on the website for this too!

OPEN DAILY FROM 10.30AM – 4PM
We could not do the work that we do without the help of our volunteers. There are so many areas in which volunteers can help our vital and often life-saving work. We don’t just need help walking the dogs, and cuddling the cats and small animals; we also need help with fund raising events, in our charity shops, in our onsite cafe, in the laundry, or helping with the general maintenance of the sight to ensure it looks welcoming to our visitors and potential adopters. Every role is vital to the smooth running and success of the rescue.

**We always need volunteers helping with the day to day running of the rescue centre.**

Once you are a registered volunteer you are welcome onsite anytime between 8-5pm, 7 days a week. By volunteering at NCAR you could make a real difference to an animal’s life.

If you are interested in any aspect of volunteering with us at NCAR please email jeansellers@ncar.org.uk or call the rescue on 01745 560546.
Fundraising plays a vital part in the day to day running of the rescue and in helping to finance larger projects, such as kennel improvements. It can be great fun, but is also hard work and we need the help of our volunteers and the local community.

There are lots of different ways to raise funds for the rescue, including sponsored events, such as marathons, walks, sleepovers, skydives or something a bit different. If you would like to organise a sponsored event to raise funds for NCAR, please do get in touch with our fundraising team who will help get you started. Email fundraising@ncar.org.uk

The rescue is so lucky to have the support from a number of local businesses, including Pets at Home, Mars Pedigree, Support Adoption for Pets, Bank of America, M&S Money, various pubs, cafes, local shops and chip shops. So why not nominate NCAR as your workplace’s chosen charity so that you and your colleagues can all help rescue animals.

Our online shop is another way that you can help our rescue animals, while shopping for your own pets. Over Christmas, every dog and cat at the rescue was lucky enough to be nominated to receive their very own Christmas hamper and they all thoroughly enjoyed the treats, food and toys which they received. Many thanks to everyone who bought a hamper and helped make the festive period fun for our residents.

Now you can donate a gift to any of our animals all year round through our online shop, with some new charity gifts which have been recently added. You can buy a bag of tennis balls or a pack of jumbones for our dogs; a playground toy or some whiskas temptations for our cats; or a boredom busting toy for our rabbits and guinea pigs. Just order online and they will be given to our animals on receipt of the order. We hope to add more exciting items to our shop in the near future, so do keep checking back so you can treat your own dog or cat to a new toy or some treats, while helping our rescue animals. www.ncar.org.uk/shop

Over the last few years, we have run a calendar competition to feature past and current residents of the rescue. This year we chose to use the NCAR residents themselves, and it was nice to see some of the long term animals feature each month. The calendars make great gifts for family and friends as well as a little treat for yourself. Calendars go on sale in October and will be available from our reception, charity shops, Doris’s Bunker and our online shop. Make sure you get your copy as they were very popular.

The cost of the calendars is kindly sponsored by local businesses, we are always looking for new sponsors so please contact us on events@ncar.org.uk if you would like to support the 2019 Calendar.
Strider

FORMALLY KNOWN AS “THE SHERIFF OF NCAR”

I am sure you will all remember the famous and very handsome Strider! Strider was with us for nearly 8yrs and he was certainly a big character at NCAR and a very much loved part of the family!

Last year Strider finally found his forever home after many years of searching for his perfect human family!

Whilst Strider was here he certainly built up a rather big fan club with our regular volunteers and staff. He even had a new Retirement Village built for him with an inside and outside area, heated floors and room for his armchair!

Strider now lives with a lovely couple and his new sister and is very much loved and often visits the rescue to see his loving fan club!

We received this lovely Christmas Card from him and a Christmas visit!

We wish him all the best and a very happy retirement with his lovely new family.

Sometimes it takes time but there is always a home out there for every animal, they just need a second chance!

NCAR PROJECTS

AT NCAR WE ARE ALWAYS IMPROVING OUR FACILITIES, THESE ARE JUST A FEW OF THE PROJECTS WE HAVE ACHIEVED!

At NCAR we find it so hard to fund our projects and thanks to Charitable Foundations, Legacies & Grants we are able to extend our rescue to enable us to help more animals, without their support this would not be possible!

In the past few years there have been quite a few changes at NCAR
- Moggy Mansion
- Whitefields Veterinary Clinic
- Belle’s Burrow
- Retirement Village
- Puppy Parlour
- Enrichment Barn
- Maternity Cattery
- Lady Lurcher Sensory Garden
- Doris’s Bunker (Cafe)
- New Strays Development
- Laundry room

We still have many more projects and improvements to go and with your help we can continue the work we do for our residents at NCAR. Making NCAR even better and making all our dreams come true!

SPONSORED DOG WALK
13TH MAY - 11AM - AT NCAR, TRELOGAN

The countryside surrounding NCAR is full of beautiful scenery and breathtaking views over the estuary and our sponsored walk certainly shows off the beauty of the North Wales countryside. The walk is a gentle stroll, which you can take at your own pace, while helping to raise funds for the rescue by getting sponsorship from friends and family for you and your dog. If you don’t have a dog of your own, one of our residents would love to come along and join you on the walk.

If you would like to take one of our dogs on the walk, please give the rescue a ring a few days before the actual day so that we can partner you up with a suitable companion. After the walk, why not call in to Doris’s Bunker to refuel? We look forward to seeing you at this event to help us raise much needed funds for the rescue. Please visit our website to download a sponsor form or pick one up from our reception.

CHRISTMAS OPEN DAY
SUNDAY 2ND DECEMBER 11AM - 3PM - AT NCAR, TRELOGAN

Our Christmas Open Day is certainly our biggest and best event of the year, attracting hundreds of supporters for a fabulous, festive day out. Our supporters are always so generous and always make sure that our residents have the best Christmas we can provide for them with wonderful donations of toys, treats and food. The dogs, cats and rabbits all have their own stockings hung on their doors, and these are always over-flowing by the end of the day with the many treats that people bring in for their favourite residents.

We have a wonderful range of professional stalls where you can purchase gifts for your animals or for loved ones. There is non-alcoholic mulled wine and hot turkey baps, along with other delicious refreshments being served in Doris’s Bunker. Even Santa comes along and you can pay him a visit in his grotto with your children and your dogs.

We love to see past residents who come back to visit us and love to hear how they have settled in to their new homes. Certainly a day out for all the family not to be missed!

If you would like to have a stall at our Christmas Open Day, please email Jean at events@ncar.org.uk – Please book early as our stall spaces do get booked up very quickly.
Previously the kennels were heated with infrared bulbs which were very costly to replace and ineffective. Hafod Renewables were called in to find an alternative sustainable heating system. Hafod designed a special low profile under floor heating system heated by a sophisticated air-source system powered by an array of solar panels. Hot water is sent coursing through a quarter of a mile of plastic piping just beneath the floor of the kennels that house the latest arrivals. It keeps the air temperature at a comfortable 20C and has replaced the old infra-red bulbs which used to ratchet up the centre’s electricity bills as well as blowing on a daily basis to the tune of £20 a pop.

The system will cost just £400 a year to run instead of £3,600, £2,000 of it spent on replacement bulbs, and will pay for itself in under five years of its 20-year lifespan. As well as saving themselves money to be spent on their animals NCAR are saving the planet too because Hafod Renewables have cut carbon emissions on site by 80 per cent which amounts to over four tonnes of carbon dioxide per annum, the equivalent of planting 200 trees.
NEW DOORS & WINDOWS FOR THE STRAY BLOCK

At DBP, we always like to support local businesses where we can and are very proud to have had the opportunity to help out our friends, both two and four legged at North Clwyd Animal Rescue.

A charity very close to our heart, it’s a lovely feeling to know that we have helped NCAR look after the stray dogs and cats in warm and secure accommodation.

We have installed new windows and a new door to the side of the building which has not only improved security, but will soon allow the addition of an exercise area.

We also supplied and installed new doors to all the kennels and it looks as if Blue is very happy with his new cosy room.

It was a pleasure to work with the team at NCAR and a joy to be involved with such an amazing charity.

Nicky Owen from NCAR shares her thoughts on the improvements.

“We have been amazed what a difference the doors and windows have made to this stray kennels. The warmth from the new heated floors, now stays within the building thanks to the new doors and windows on both sides.

It is a huge improvement to our kennels, and our dogs seem to be a lot happier and cosier now. We also love the new door that has been made in the back side which will soon open up a new, extra exercise area for the dogs.

We look forward to continuing this style throughout the rest of our kennels when we receive sufficient funding as this is such an improvement to the steel mesh doors and gives the dogs a much nicer living environment.

The team from DBP have been fantastic and are always very cheery and have had to work around the dogs, so overall a fab experience and would highly recommend.”

DBP Ltd have been supplying and installing windows, doors, conservatories since 2004 and are true experts in our field. Give us a call or pop in for a chat and a free, no obligation quotation. Come and see for yourself why nearly 100% of our business is from recommendations from our satisfied customers.

Roobarb ‘n’ Custard are a local scooter group who have held their end of season ride out, over the last couple of years, in aid of the rescue. Hundreds of scooter fanatics meet up locally and ride up to NCAR with all the food donations that they have collected, together with money that has been raised throughout the year. Our former resident Dixie and her adopter Steve ‘Coaty’ Coathupe organise this lovely event every year and it is always such a fabulous sight to see all the scooters arrive on the yard at the rescue. We send our sincere thanks to all involved with the ride out and look forward to seeing you all later this year. Hosted by Muttley’s scooter crew and Flintshire Scooter club - we hope to see you there!

Michelle adopted a beautiful staffie called Stars from the rescue, and since then has been raising money for the rescue by cartooning people’s pets.

Michelle started off on facebook, but her ‘toons’ have become so popular that she has now set up www.toonpetz.com to accommodate her huge fan base from all around the world. We would like to thank Michelle for her continued support and we hope she continues to receive many more requests. Michelle has raised £8295 to date over the past 3 years with her tooning which such a fantastic achievement! Well Done Michelle! www.toonpetz.com
CHRISTMAS AT NCAR
BOXING DAY & NEW YEARS DAY WALKS AT NCAR

Here at NCAR, our animals are our top priority....
So that is why we love our festive walks, when all our dogs go out for a lovely long walk on Boxing Day and again on New Year’s Day. The walk takes you through the local village where we stop off at the half way point for refreshments, including mince pies, mulled wine, and of course a few treats for the dogs too!
The walk takes approximately 1 to 2 hours and is a distance of 3 miles.

We understand that Christmas is a time for family, but sadly NCAR is the only family that these dogs will have this Christmas, so we would be so grateful if you could spare a couple of hours to make Christmas a special time for them too. You are welcome to bring your family with you – we just ask that you contact the rescue a few days before Christmas so that we can allocate a suitable dog for you and we know how many people are coming along.
Due to demand, it is essential that you book in for either or both of these walks in advance, so please do email us at events@ncar.org.uk any time during December.
Walks start at 1pm so please arrive at 12.30pm to collect your allocated dog for the walk. Due to the popularity of these walks you may have one dog per pair, but you still get to have a fantatsic walk with the NCAR residents- Thank you for your patience!

CHRISTMAS DREAMS
EVERYONE CAN MAKE DREAMS COME TRUE!

Just because our residents are at the rescue for Christmas rather than being in a home, does not mean that they have to miss out on Christmas dinner. However, with up to 100 dogs, 100 cats, and 20 rabbits and guinea pigs, this can become quite an expensive meal! So we have set up Christmas Dreams – an appeal to our fabulous supporters to help towards the cost of the meals. It is very special on Christmas morning to see all our residents’ faces light up when they are given a very special meal and it means so much to all our staff to be able to do this for the animals. The appeal also helps to fund new toys for the animals, which they can carry on enjoying long after the Christmas festivities are over.
For more information about our Christmas Dreams Appeal, keep an eye on our website, online shop and Facebook page from November onwards. Appeal forms can also be collected from our reception, Doris’s Bunker and all of our charity shops.
Our lovely Whitefields veterinary clinic is now in its 3rd year and has had another really successful year. With many hundreds of animals neutered, numerous dentals and lots of other medical procedures being carried out over the year.

This year saw the addition of our x-ray machine, which was kindly donated to NCAR through a legacy that was left to the charity by Fred & Marjorie Thompson. This X-ray machine has made accurate diagnosis so much easier for our vets and is a great asset to the clinic. A young collie called Rocko recently came in to our care, and staff could see immediately that the movement in his back legs were wobbly and he was uncomfortable when going to the toilet.

An x-ray showed that he has got hip dysplasia, so a course of hydrotherapy has now been prescribed to strengthen the muscles around the hip area.

It is hard now to think back to a time when we didn’t have a vet on site and we are so lucky to have a wonderful team working in the clinic. Two of our staff, who began at the rescue by working in the kennels and then moved to help out in the vets, have recently moved on to train as veterinary nurses, so another kennel assistant, Ceri has taken over their duties in the vets and we wish her all the best as she learns the ropes.

Here at NCAR, we believe that pet insurance is an important part of responsible pet ownership and it allows owners to get veterinary treatment at the earliest opportunity knowing help is there for unexpected costs.

**AT NCAR, WE RECOMMEND PETPLAN INSURANCE FOR THE FOLLOWING REASONS**

1. Petplan’s Covered for Life policies guarantee your Veterinary Fees cover each year no matter how often you claim (providing you renew your policy each year with no break in cover).

2. Petplan doesn’t place exclusions at renewal on Covered For Life policies so ongoing conditions, such as eczema, can continue to be covered year after year.

3. Petplan won’t increase your premium or excess just because you make a claim.

4. Petplan is a pet insurance specialist so they understand pets and work closely with vets and charities. In fact, Petplan support NCAR by giving us 10% of all premiums renewed through NCAR.
Our charity shops play a huge part in raising funds for the rescue. We are lucky enough to have kind and generous supporters who donate their pre-loved items for us to sell. There can be some great bargains to be found in our charity shops with a lot of designer label items being donated to us, some are still brand new with their tags on!

Gift aiding your shop donation will allow us to claim an extra 25% of the selling price from HMRC, so please make sure you complete a Gift Aid form when you donate your items to us. Volunteering in one of our shops can be so rewarding. It is a chance to make new friends whilst helping to raise much needed funds for the rescue.

So why not pop into one of our shops next time you are passing - who knows what you will find. Or better still, please think about us when you are having a spring clean - we always need new items.

If you are interested in volunteering in one of our shops, please visit your local shop and speak to the shop manager who will happily provide you with the information you need. Our shops are always in need of furniture, good quality clothes, home wear, electronic equipment, DVDs and bric-a-brac.

For any shop enquiries, please email shops@ncar.org.uk

NCAR is constantly growing. Our new cattery means that we can now look after more cats as well as taking in more dogs and rabbits. Although it is great that we are able to look after and re-home more animals, it means our daily running costs are always increasing. Due to rising costs and the increase in the number of animals being looked after the rescue now costs over £1000 per day to run.

Unlike many large national charities, who are mainly funded by legacies, being a small, independent charity, we have to rely on donations and fundraising. However, one way in which you can help us continue the work we do is to leave a gift to NCAR in your Will and quote our charity number 515195.

We have been fortunate enough to receive gifts in the past that have allowed us to improve the rescue, but we are always in need of support. Leaving a gift to NCAR in your Will is a great way of ensuring we can save as many animals as possible. If you would like a legacy information pack, please complete the form below.
